

Find your perfect ring size

To find your perfect ring size, print this guide out on A4 paper at 100%.

Find a ring that fits you and align it with the templates below. The circle that matches up with the **inner** dimensions of your ring will reveal your perfect size.

A	B	C	D	D.5	E	F	G	G.5	H	H.5	I	I.5	J	J.5	K	K.5
L	L.5	M	M.5	N	N.5	O	O.5	P	P.5	Q	Q.5	R	R.5			
S	S.5	T	T.5	U	U.5	V	V.5	W	W.5	X	X.5					
Y	Y.5	Z	Z.5	Z+1	Z+2	Z+3	Z+4	Z+5	Z+6							

If you don't have a ring that fits:

1. Cut out the ring sizer to the right and make a slit where it is indicated.
2. Wrap the sizer around your finger, just above the knuckle, and pull the end through the slit until it's a comfortable fit.
3. The letter that the arrow is pointing to is your ring size.
